# Exploring Residential Home Design Using Chief Architect

## Chapter 1

### Getting Started with Chief Architect - Part 1

Starting Chief Architect . . . . .	2
The Chief Architect User Interface . . . . .	3
Restoring Default Toolbars . . . . .	5
Saving a File . . . . .	6
Creating Walls . . . . .	6
Using the Zoom Tools . . . . .	9
Moving Walls . . . . .	11
Saving the File . . . . .	14
Adding Doors . . . . .	14
Adding Windows . . . . .	17

## Chapter 2

### Getting Started with Chief Architect - Part 2

Adding Furniture . . . . .	26
Viewing the design in 3D . . . . .	28
Adding a Roof . . . . .	30
Creating Elevation Views . . . . .	34
Printing a Model . . . . .	35
Messing with Colors and Textures . . . . .	35

## Chapter 3

### Editing Plans and Adding Interior Walls

Using Save As to Create a New Plan . . . . .	42
Creating a New Plan from an Existing Plan . . . . .	42
Adding and Editing Interior Walls . . . . .	45
Adding and Editing Windows . . . . .	50
Adding and Editing Doors . . . . .	51

## Chapter 4

### Plumbing Fixtures, Base Cabinets, and Appliances

Defining Rooms . . . . .	60
Assigning Room Types . . . . .	61
Adding Plumbing Fixtures . . . . .	63
Adding Kitchen Base Cabinets . . . . .	65
Adding Appliances . . . . .	70

## Chapter 5

### Wall Cabinets and Soffits

Adding Kitchen Wall Cabinets . . . . .	76
Adjusting Cabinet Styles . . . . .	81
Adding Soffits . . . . .	82

### Chapter 6

#### Furniture and Accessories

Adding a Dining Table .....	86
Adding Family Room Furniture .....	88
Adding Bedroom Furniture .....	89
Adding Living Room Furniture .....	90
Adding Additional Accessories .....	92
Adding Window Treatments .....	92

### Chapter 7

#### Adding a Basement and Stairs

Creating a Foundation .....	98
Using the Reference Display .....	100
Adding a Stair Room .....	101
Adding Stairs .....	103

### Chapter 8

#### Adding a Porch and Deck

Adding a Porch .....	110
Setting the Plan Snap Unit .....	110
Adding a Porch Roof .....	112
Defining the Porch Room Type .....	113
Adding Porch Stairs .....	114
Adding a Deck .....	115
Creating Piers .....	117

### Chapter 9

#### Framing

Framing Walls .....	122
Use Camera to Display only Framing .....	123
Open Wall Detail .....	126

### Chapter 10

#### Rendering

Setting 3D Preferences .....	132
Adjusting Camera Positions .....	134
Picking a Focal Point .....	134
Building a Flat Terrain Model .....	137
Adding Roads and Sidewalks .....	141
Generating Photorealistic Rendered Views .....	143
Adjusting Materials and Textures .....	145
The Glass House .....	146
Setting the Sun Position .....	147
Adjusting Lights .....	149
Creating Raytrace Views .....	150
Interior Renderings .....	151

---

---

## **Chapter 11**

### **Quick Printing and Layout Drawings**

Using Quick Print .....	154
Creating a Master Layout File .....	157
Creating a Working Drawing Layout .....	161
Creating a Dimensioned Plan Layout Page .....	165
Printing the Layout .....	166

## **Chapter 12**

### **Steps Toward Becoming a Chief 'Power User'**

Using Grids .....	170
Template Files .....	172
Using the House Wizard .....	173
Creating a 3D terrain .....	177
Adding CAD Details .....	183
Creating CAD Blocks .....	185
