Earn Your Graduate Credits!

Bring Back 24+ Hours of Hands-on Experience to Your Classroom!

TSI Class of 2009!

Join Technology Education Concepts, Inc. this July 7-9th for our 16th Annual TEC Summer Institute: A series of Professional Hands-On Development for Instructors using KeyCreator, Envisioneer, Laser Technologies and Desktop Rapid Prototyping with RapManUSA. Learn with Instructors

throughout North America when you come to TEC Summer Institute for 3-days of intensive, individualized, hands-on training instructed by certified professional instructors.

Earn Continuing Education Graduate Credits!

Don't miss this easy and affordable opportunity to earn two Graduate Credits made available through the University System of NH, Keene State College! The cost is only \$165/credit. Forms and information will be available at TSI.

New Course Offering!

For the second year, we are excited to be working with instructor Dan Caron to offer three Engineering byDesign™ (EbD) courses: Technology and Society, Inventions and Innovations, and Tech. Systems. Mr. Caron has been a curriculum specialist for EbD for three years and has been recognized by the International Technology and Engineering Educators Association (ITEEA) for teaching excellence and is designated an ITEEA Distinguished Technology Educator. For more information as well as course descriptions, visit the EbD link on the TSI page of our web site or contact TEC.

Why Should You Attend?

- It's a great opportunity to familiarize yourself with the latest developments in Mechanical CAD, Architectural CAD, Laser Technologies, Rapid Prototyping and EbD.
- Review the most current methods of integrating industry trends into practical classroom applications.
- Take advantage of the Open Labs and additional instruction.
- Take advantage of the opportunity to network with colleagues and friends in Technology & Engineering Education.
- We need your help – eating! We host our Famous TEC New England Cookout complete with lobsters and an abundance of delicious food!
- Enjoy beautiful New England and the many sites it has to offer!

Registration Information

Sessions are filled on a first-come, first-served basis. Tech. Ed. Concepts (TEC) will be accepting TEC Summer Institute 2010 registrations until June 11, 2010 while space is available. Once we have received the following, you are officially registered for TEC Summer Institute 2010:

- A Completed Registration & Tuition Payment Form
- A Hard Copy of a School P.O. or Credit Card Information

Submitting Your Registration

ONLINE (Recommended): Visit www.TECedu.com and click on TEC Summer Institute in the left hand margin or select Teacher Training from the User Help drop down menu.

FAX: Fax this Registration & Tuition Payment Form and Purchase Order (if applicable) to (603) 225-7766 prior to June 11, 2010.

MAIL: Send this Registration & Tuition Payment Form and Purchase Order (if applicable) to:

TEC Summer Institute 2010
Technology Education Concepts, Inc.
32 Commercial Street
Concord, NH 03301

Confirmation

Email confirmation of your enrollment will be issued after TEC has received all of the requested information AND a hard copy of a School P.O. or credit card information.

Refund Policy

Should you need to cancel your registration, you may do so before June 11, 2010 and we will refund all fees excluding a \$125 cancellation fee. If you would like to transfer your registration to another individual, please submit in writing to TEC indicating to whom you would like to transfer your registration, current address, school, email address and telephone number.
