STARTER PRICE

SIMPLE OPERATION

ETU Versatile and Easy-to-Use

- Print and contour-cut a higher volume of profitable items such as decals, posters and heat transfers with one compact, affordable device.
- Simple to operate, even for those with little or no printing experience.
- Easy-to-use design and output software included, so anyone can design and print right out of the box.

High Print Quality

- Consistently produce stunning high-resolution prints with vibrant color and excellent detail.
- Specially formulated Eco-Sol MAX2 inks in 4-color (BN2-20A) or 5-color (BN2-30) configurations.
- Prints deliver excellent outdoor durability for long-lasting graphics.

PE Productive and Efficient

- Print speeds four times faster than the original BN-20 (in Standard mode) for increased productivity and profitability.
- Front-loading ink and media, automatic sheet-cutting and other features optimize convenience and efficiency.
- Compact size fits easily on most desktops, making it ideal for home businesses and small work spaces.
